Water's Worth It™ Landscape Award

The City of Norman's Environmental Control Advisory Board is sponsoring a City of Norman Water's Worth It™ Landscape Award which will be presented to a resident of Norman for creative and attractive landscape maintenance and appearance, while demonstrating wise water use. Conservation techniques and native or drought tolerant vegetation are greatly encouraged, as well as drip irrigation or rain barrel use, but neither is mandatory to enter. Entry deadline is June 9, 2014.

A winner will be selected by the City's Environmental Control Advisory Board, and featured in a local newspaper article. A City of Norman Water's Worth It™ Landscape Award yard sign will be placed in the winner's yard to encourage neighbors to follow suit. Questions or comments may be directed to Debbie Smith, City of Norman Environmental Services Coordinator, (405) 292-9731. You may download a nomination form at www.greennorman.org and submit your entry by:

email - debra.smith@normanok.gov

mail – Debbie Smith, City of Norman, P.O Box 370, Norman, OK 73070.
